

BASKETBALL SKILLS DEVELOPMENT

Did you know Basketball was invented by a Canadian? Basketball is the second fastest growing sport in the world, and is very popular in Abbotsford. It is played in our schools, recreationally in the community, and at our local University and colleges. We even have a professional team, the Abbotsford Bandits of the Canadian Elite Basketball League.

- Abbotsford boys and girls highschool teams consistently perform well, and have won Provincial Championships multiple times.
- Abbotsford players have won scholarships to universities in Canada and the US
- Abbotsford hosts one of the biggest highschool tournaments in Canada each year, attracting top teams from Canada and the US.
- Basketball season runs from November until approximately late March
- Basketball is available for boys and girls at all Abbotsford schools
- Teams are open to International Students - tryouts may be required
- Special Basketball Skills Class in the off-season - see over for details

BASKETBALL SKILLS CLASS DETAILS

- The Basketball Skills Class is available for male and female Students in Grades 9 - 12.
- This is a PE class and counts for course credit (but not for mandatory PE 9/10)
- No games. Focus is on individual skills for each student, also team play and strategy.
- Classes run outside of the regular basketball season: Sept & October / April - June.
- Class times vary and can be early before school begins, in the evening, possibly some Saturdays
- Students must be registered at Robert Bateman Secondary School
- International Students can register
- No additional fees for this class
