

Host an International Student (age 12-18)

The Abbotsford School District's International Program accepts applications from families that live in close proximity to the secondary schools. We have students from all over the world and many of them would like to live in homes with other teens and some prefer homes with younger children or no children at all. If your family or someone you know, has the time and skill to care for a teen student from another country, please contact the District Homestay Coordinator at rose.mann@abbyschools.ca. We will email you some information about our program and an application.

Sincerely,

Rose Mann
