

Rick Hansen Secondary
SCHOOL OF SCIENCE & BUSINESS

rickhansen.abbyschools.ca Grades 9 - 12
700 Students / 15 International Students

Rick Hansen School of Science & Business focuses on preparing students for professional careers and further success in post-secondary studies. The school provides a unique opportunity for senior students to specialize in business or science as they work towards graduation. Partnerships with post-secondary institutions and industry partners enhance learning opportunities for students as they solve real world challenges through targeted training, internships and potentially gain university credits. Designed to propel students from a text based format to a practical, problem solving, connected classroom, this program will provide students with a significant advantage over a traditional classroom setting.
