

Outdoor Adventures

Experience great Canadian adventure activities alongside Canadian (and International!) students with the Outdoor Education Program! Many students say this is the BEST part of their Canadian experience!

International Students have two options:

- 1) Participate in ALL the activities by taking the Outdoor Education Courses for credit at Robert Bateman Secondary or WJ Mouat Secondary Schools
- 2) Sign up and join the WJ Mouat class for just some of the activities

All activities and transportation are organized and supervised by
Abbotsford School District Staff
