

WJ Mouat
Secondary School

WJMOUAT.ABBYSCHOOLS.CA GRADES 9 - 12
1500 STUDENTS / 85 INTERNATIONAL STUDENTS

Mouat has been recognized provincially and throughout Canada for its Academic, Athletic, Fine Arts, Technology Education and Community Service achievements. With an expansion in 1988 that created science labs, art rooms and a theatre, and another expansion in 2002 that created an art wing, a practice gym and state of the art weight room, Mouat's students have the best facilities to enrich their learning, spark their creativity and build their athletic prowess. A seismic upgrade project from 2007-2010 provided both infrastructure and surface improvements. In June of 2010, staff and students began pursuing a Character Education initiative, one that would formalize what Mouat has believed in for years: that good character and citizenship are equally important to strong academics.

Highlights

Strong Academics, 2D&3D Engineering and Architecture, Outdoor Adventure Program, Art Portfolio Program, Drag Racing Team, Strong Track and Field Training, Comprehensive Music Offerings...

PROGRAM DETAILS

- School year runs from early September until late June, and operates on the Semester System. Students complete 4 subjects in 5 months, 8 total in a year
