

GOLF ACADEMY

The Golf Academy at Robert Bateman Secondary provides students a high performance golf program and the opportunity to develop their potential and total game. The program has a balanced approach with approximately 40% of the program held at Ledgeview Golf Course and Fraserglen Driving Range, where students will be instructed by certified CPGA professionals. The other 60% of the program will involve golf specific athletic performance training, mental training, rules, etiquette, anatomy, and nutrition by certified instructors and trainers. Students are expected to maintain a 73% average in all courses in order to participate. The Academy aims to:

- Nurture healthy attitudes and behaviours consistent with academic and athletic success
- Improve the skill level of every academy participant
- Enhance functional physical development through continuous fitness programming
- Increase participant awareness of the benefits of nutrition on sport performance
- Provide the student and parent/guardian with evaluations of personal performance

Golf Academy Fees:

- \$2800/year includes professional coaching fees, use of range balls, training equipment updates, transportation to and from the course
- \$500 Student membership fee to Ledgeview Golf Course
