

## BUSINESS CLASSES

***Are you the next Jack Ma, Lisa Su, Melanie Perkins, Richard Branson or Warren Buffet? Students planning on a future in the business world can find a number of business classes in Abbotsford that can help launch their careers.***

**Abbotsford School District secondary schools offer a choice of business education courses for students interested in pursuing a career in business. Students can explore foundational subjects such as Accounting, Economics, Marketing, Law and Entrepreneurship which will prepare them for business studies in University.**

Our schools also offer hands-on, real-world experiences through courses like Business Leadership, where students manage school-based enterprises like cafés and convenience stores. These programs emphasize practical skills in financial management, product design, marketing, and customer service, often using industry-standard tools and accounting software.

Additionally, students can engage in specialized electives such as Financial Accounting, Business Computer Applications, and Media Design, which integrate technology and business concepts.

With such comprehensive and applied learning opportunities, Abbotsford schools provide a strong foundation for students to develop the skills, knowledge, and confidence needed to succeed in the dynamic world of business.

## FUTURE PROSPECTS?

Our Candian and International Graduates have gone on to study at top universities across Canada, the USA and around the world. The job outlook for business graduates in Canada is generally strong. According to a 2025 study by Statistics Canada, approximately 84.5% of international students with a bachelor's degree in business were employed within three years of graduation.
