

## PERFORMING ARTS

*Step into the spotlight with Abbotsford School District's vibrant Performing Arts programs! Whether you're passionate about dance, drama, music, or stage production, our schools offer a dynamic range of courses designed to inspire and challenge young artists. From jazz bands and choirs to drumlines and theatre productions, students have countless opportunities to perform, collaborate, and grow. With enthusiastic teachers, modern facilities, and a supportive arts community, Abbotsford is the perfect place to explore your talents and shine on stage. Your artistic journey starts here!*

- All schools have dedicated Music Rooms and Theatres
- Some classes run before and / or after the regular school day
- Students perform at various concerts and competitions in the community and in other cities
- Many students have won scholarships and have gone on to study performance at University
- Performance classes are a great way to connect with other students and become part of the school community

### *Do you eat, sleep and breathe art in every cell of your body?*

At the Abbotsford School of Integrated Arts (Grades 6-12) creativity is at the heart of learning. ASIA offers a unique educational experience where dance, drama, music, visual arts, digital arts, and creative writing are seamlessly woven into the core curriculum. Students don't just study—they create, perform, and innovate, using the arts to deepen their understanding across all subjects. With a focus on collaboration, self-expression, and academic excellence, ASIA empowers students to grow as confident, creative thinkers ready to thrive in any path they choose. If you're passionate about the arts and eager to learn in a dynamic, inspiring environment—this is the place for you!

**\*\*Please note this is a small school, there is limited space in this school, students must submit portfolios or auditions in order to be accepted. Contact our office before applying**
