

ABBOTSFORD REFERRAL BONUS

We appreciate your confidence in our program and your efforts to send us students, and would like to thank you by offering a little bit extra. At the end of each academic year we will calculate the number of Full Time Equivalent (FTE) students you have sent, if it is 4 FTE or more we will automatically send you the bonus. Because it is our gift to you there is no invoice required.

Calculating FTE

1 full year student = 1 FTE,

1 single semester students = 0.5 FTE

Example

2 full year students + 4 single semester students = 2 FTE + (4 x 0.5 FTE) = 4 FTE

Number of students	Bonus/student	Total
